

Pragati Arvind Sulakhe

Address : Bhusawal, Dist : Jalgaon

Mobile : +917499699021 Email : pragatisulakhe63@gmail.com

Github : <https://github.com/pragatisulakhe63>

Objective :

Seeking a responsible position in an organisation, which gives me a chance to improve knowledge, enhance my skills and enable me to strive towards the overall development of the organisation.

Highlights :

- Sound Knowledge of Client Side Web development using ReactJS and Angular.
- Sound Knowledge of Server Side Web development using NodeJs.
- Sound Knowledge of operating systems internals.
- Good analytical and problem solving skills.

Technical Skills :

Web Technologies : HTML/HTML5,CSS2/CSS3,JavaScript
JavaScript Libraries : React JS,Bootstrap.
Framework : Angular.
Tools & Technologies : Angular-CLI.
Database : MySQL,MongoDb
Version Control : GIT ,Github.
Operating System : Windows , Linux
IDE & Tools : Visual studio Code,Intellij
Programming Languages : Javascript, Typescript, Java, C Programming

Technical Projects:

1) ONLINE AUTO PARTS SHOP

Technology Used:

- HTML, CSS, Javascript, Bootstrap, ReactJs, NodeJs, MongoDB
- Postman for Api testing.

Description :

- This project proposes a technical solution that will improve the inventory management for a small business company.
- The project envisions a situation where a company currently uses a client server based inventory management system in each store.
- The current system depends upon the store managers for inventory control functions like purchase order creation and inventory usage recording.
- Currently, each store sends the inventory consumption and ordering information to the corporate office on a weekly basis.

2) Chat messenger with log facility.

Technology : Java Programming

Description :

- This project provides the chatting facility for peer to peer communication.
- We use java socket programming to perform the text based chatting.
- We also maintain the log which contains all the chatting details with the periodic fashion.
- This application is platform & architecture independent.

3) Amazon Clone.

- This is a functional shopping app intended to be a clone of Amazon and some of its features.
- This clone is mixed with my design style and features that I thought would make it look better.
- This was created with HTML, CSS.

Technical highlights :

- Knowledge of front end development using ReactJs.
- Knowledge of front end development using Angular.
- knowledge of Nodejs for server side development.
- Knowledge of Unit testing of Angular application.
- Knowledge of Front end Development using Bootstrap,Material Design
- Knowledge of Server Side development using NodeJs.
- Knowledge of NoSQL database as MongoDB.

Educational Qualification :

Standard	Institute	Board / University	Class
MCA	North Maharashtra University,Jalgaon	North Maharashtra University,Jalgaon	59.97%
BSC(cs)	P.O. Nahata College, Bhusawal	North Maharashtra University,Jalgaon	66.06%

Personal Information :

- Date Of Birth : 6th March 1998
- Father's Name: Arvind Vasant Sulakhe
- Marital Status: Unmarried
- Nationality: Indian

The Above mentioned information is authentic to the best of my Knowledge.
